## LIKE NO OTHER

Are you tired of not hearing from your current agent on updates about your investment?

Thinking about buying an investment or perhaps buying another property and want that professional, by the book, unique Property Manager, who has your best interests at heart...?

Calling all  
Landlords and Tenants

### PREMIUM SERVICE FOR A PREMIUM PROPERTY

Our boutique style property management is here to assist you to find the perfect home to rent, or to find that perfect tenant. We gather information about your needs and wants on a one on one consultation, we ensure what best suits your budget, family size and lifestyle needs. Ask Sally today about our tailored tenant program that is perfect for those aspiring to become homeowners in the months and years to come.

I understand that being a tenant does not make you any different and I do not treat you like you're 'just a tenant'.

When applying for a rental home, I will make the experience stress free, easy and consultative.

Once approved, if you have a problem while renting a property I will ensure that your concerns and worries are rectified as quickly and professionally as possible.

Should it be a repair or if you just need to know something. I am always here to help.

- Are you in a current lease agreement?
- How many inspections have been performed on your investment in the past year?
- So many questions and I have the answers
